October 08, 2025: On Choosing to Go to Hell

I am witnessing (forcibly witnessing) the 'forces' of the United States military and national security apparatuses as they are being used to knowingly, intentionally, and willfully descend themselves, and their community, into the bowels of hell for their own personal enjoyments, amusements, and financial gains.

It is important that everyone understand that I am being forcibly subjected to a constant presence over my life that is choosing to place the community into hellish circumstances while they sit inside of the 'quiet solitude' of an office within the security of the United States government playing a 'video game' over our life.

I am witnessing that these forces are 'gleefully' pushing their game of intentional hatred and punishment over my life while I attempt to carry out my normal daily activity in a positive and beneficial way for my family and my community.

I am testifying publicly under a sworn oath to the truth of God as I have studied and defined it to exist: Donald Trump and Elon Musk are responsible for the forces that are being pushed against our home.

Let the 'chips fall where they may' - the President of the United States is using the United States Space Force to wage a war against the homes people that he wants to forcibly control.

Donald Trump is a convicted felon that is convicted of crimes that relate to a 'Catch and Kill' strategy to 'silence' the voice of a woman that he paid to provide him a shameful 'tiny volcano' inside of a private hotel room for his personal pleasure and enjoyment.

Elon Musk is holding women inside of a private 'harem' of artificial insemination to produce a hundred or more offspring for his own private benefits.

These are the two people that are both running the United States surveillance state and that are controlling the military of the United States of America.

These are alarming facts that must be addressed publicly.

If you are a politician that is unwilling to speak publicly about these facts, then I do question whether you are simply biding your time to grab hold of the power to run this technological prison for yourself.

Please watch this movie to understand the mindset of a person that is knowingly and willingly choosing to subject themselves to the grasp of Satan's lies in order to achieve personal gains at all costs.

Please speak out and tell the people that we are in serious danger from the treason that is occurring within the United States military under the watch of Donald Trump and by the arms of Elon Musk.

Donald Trump and Elon Musk MUST BE ARRESTED AND HELD ACCOUNTABLE FOR THEIR CRIMES AGAINST HUMANITY!
